Agenda #	Relate To	Position	Name	Comments
46.		Favor	Genevieve M Clavreul	I hope this program will address our County's current congenital syphilis epidemic.
			Karen P Caal	
		Oppose	Lacey Scripture	
			Michael C McCann	
			Rene Villeneuve	
			Shiva Bagheri	Instead of sexualizing our children at five years old at schools maybe we should teach them to respect their bodies and not share their bodies with others until they're married. Then we don't have to worry about disease prevention because less disease will be propagated.
